Bend OR 97701**

(2) Woman only riding clinics (35 and up)

Clinic:

Saturday Oct 27 10:30 AM-5:00 -dinner out approximately 7:00-8:00 PM

Wed Nov 7th 10:00 AM- 2:00 pm -

Cost \$85.00 if you pick one day, 150.00 for both.. For overnight horses a board of \$10.00 will apply.

This clinic is for all levels of riders. We include those with very little riding skill up through the advanced rider in a *non intimidating* format. Everyone will learn at their own level and accomplish huge strides.

This clinic is taught by Theresa Denham, ARICP certified in 1997 and a member of the American Riding Instructors Association.

We will work on understanding the movement of the horse, use of body in movement and how the two work together to create a fluid dance of horse and rider.

Theresa Denham, under ARICP has personally worked under Susan Harris and Sally Swift. She also worked Clare Bayman (Wiltshire Riding Academy, Home of the British Olympic Team) to gain a deeper understanding of biomechanics of riding.

Finding and using your natural reflexes, your horse's natural reflexes and how the center of balance can easily be achieved will gain self confidence for you and your horse.

Theresa's years in the field have allowed Theresa to help riders to understand and achieve the "whys" of riding, not "just do because someone said to do it" attitude. You will begin to see how your body movement naturally works as part of the communication system to the horse to gain more confidence in your horse and creates a safer mount.

Please have your horse immunized against Flu, Rhino, and Strangles within the past 6 months and at least two week prior to entry to our facility.

I am signing up for this clinic and my \$85.00 will hold my seat in the clinic. Checks are payable to : Juniper Meadow Ranch
